
BizTech Unveils a New Website

Toledo, OH -March 1, 2010: BizTech, an Infor ERP VISUAL Channel Partner and provider of information technology solutions, is pleased to announce the launch of their brand new website. www.gobiztech.com features a fresh look, additional sections and updated content throughout. Consistent with BizTech's customer-centric values, visitors will be greeted as they enter the site and directed to the user-friendly navigation. The ['ERP4U' section](#) of the website contains valuable information to aid in ERP decision-making, regardless of a company's ERP situation. A must see for all visitors is the [resource center](#), which contains a library of brochures, whitepapers, ROI and case studies, product video demos and more.

"I'm very excited about the release of our new website," commented Joe Zalewski, Managing Partner and COO at BizTech, "The best part is we are only getting started. BizTech is committed to providing the best user experience of any manufacturing ERP vendor, by making available relevant information that will help our clients achieve a successful ERP software system selection and implementation."

To receive ERP content directly in your e-mail, [sign up for the BizTech intERPreter Monthly Newsletter](#).
